Letter of Recommendation for Hitmark

Dear Tomasz,

I wanted to send you a note to thank the team at Hitmark for their contribution to the most recent installation of our facility. Their attentiveness to detail, focus on safety, and strides to keep the project on schedule felt like they were committed to going above and beyond to keeping client satisfaction. Every person we interacted with from the Hitmark team acted professionally, communicated effectively, and collaborated harmoniously all while prioritizing ethical business practices from the start to the finish of the project.

We appreciate a job well done and welcome Himark's support for future projects as we continue to grow.

Yours sincerely,

Nick Marshall

Senior Manufacturing Engineer
